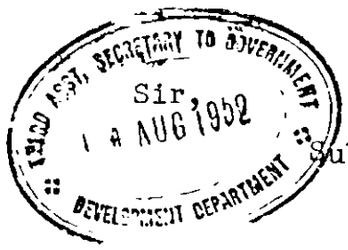
No. 1390-C3/52 Dated 12.8.'52.



Sub: Establishment - Ministerial staff - Office of the Asst.Director Mangalore - appointment of an Upper Division Clerk for works connected with the revision of scales of pay of teachers employed in the Fisheries Schools - sanctioned - further continuance - proposals -

Ref: G.O.Ms.No. 2403- Development dated 4.6.'52.

In the G.O. referred to above, Government have been pleased to sanction the creation for a period of one month from the date of employment of a post of Upper Division Clerk on Rs. 80-3-95-5-110 per mensem in the office of the Asst.Director Mangalore South Kanara District for work connected with the revision of scales of pay of teachers ordered in G.O.Ms. No. 4954 Development dated 7.11.'51. The Director of Fisheries was also requested in the G.O. to see that an experienced Upper Division Clerk is posted and the work completed within the sanctioned period of one month.

2/ As per the orders contained in the G.O. one experienced Upper Division Clerk was posted from this office and he joined duty in the office of the Asst.Director Mangalore in the Forenoon of 12.7.'52. The present sanction of the post therefore expires on 11.8.'52.

3/ The Asst.Director Mangalore now states that though the Upper Division Clerk made every efforts, he could not complete the work as there was a lot of work to be done in connection with the refixation of pay of the teachers such as drawing of increments for the year 1950, submission of pay fixation statement to the Accountant General, drawing the arrears of increment for the year 1950, drawing the arrears of pay after the initial pay fixation statement is approved by the Accountant General again sanctioning of the increments for the year 1951, and drawing the arrears of the same etc. Further the Asst.Director states that the Upper Division Clerk has so far prepared the increment certificate of all the teachers for the year 1950 and has just begun the preparation of statement of refixation of pay to the teachers prescribed by the Accountant General Madras in his letter No. T 10 B Fish I 799 dated 4.2.'52 (Copy enclosed). The form of the initial pay fixation statement appended by the Accountant General Madras contains about 20 questionaires to be answered and filled in and thus, the preparation of the statement will take a lot of time since the entire matter relates to accounts. Even when the preparation of this statement is over and submitted to the Accountant General for approval and return, the clerk will have to attend to the preparation of supplementary bills for the arrears of increment for the year 1950 till the statement is approved and returned by the Accountant General. When the statement is returned approved by the Accountant General necessary entries will have to be made in all service registers numbering about 120 and necessary arrears will have to be drawn from 7.11.'51 upto date. Then only the newly fixed pay could be given effect to. Afterwards increment certificate for the year 1951 will have to be prepared and the arrears drawn.

p.t.o.

4/ In view of the circumstances explained above, it was not possible to complete the work within the period of one month. The Asst.Director Mangalore therefore requests to sanction the continuance of this post for a further period of three months with effect from 12.8.1952.

5/ Considering the various points explained by the Asst.Director Mangalore and the difficulty that is now being experienced by the teachers numbering about 120 for their arrears of pay with effect from 1947, I request that sanction for the continuance of the Upper Division Clerk now working in the office of the Asst.Director Mangalore in connection with the revision of scales of pay of teachers of this Department may kindly be accorded for a further period of 3 months from 12.8.1952. I submit that the Upper Division Clerk is being continued in anticipation of Government sanction, and I request that my action in so doing may be approved.
